This is your chance to find out more about the East Midlands Property Alliance (empa) framework agreements in your area and how we can help your property needs.

The event will include presentations of case studies on actual projects which will highlight the benefits and opportunities clients have taken advantage of to improve the quality and certainty of their projects of all sizes from £10k to £30 million.

Find out about the National Academy for Construction Skills which is helping training and engagement in your local communities. Find out about how we recycle project money into local economies.

Come along and network with your colleagues and suppliers.

**Who should attend:** Chief Executives, Property and Procurement officers for the following:

- East Midlands Local Authorities and neighbouring authorities
- Blue light services
- NHS
- Universities and Colleges
- Other stakeholders

To register for the Marketplace and talks simply complete and return the enclosed booking form.
